Dear Sir,

**SUSPENSION OF ALLIED HEALTH PROGRAMMES AT THE GHANA CHRISTIAN
UNIVERSITY COLLEGE**

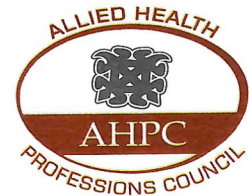

The Allied Health Professions Council acknowledges receipt of your response to the petition submitted by a concerned citizen alleging breaches of the Council's accreditation guidelines.

Upon review, the Council finds your response unsatisfactory and unconvincing in addressing the concerns raised. Consequently, in accordance with its regulatory mandate under the Health Professions Regulatory Bodies Act, 2013 (Act 857), Part One (1), the Council hereby directs **the University College to suspend, with immediate effect, all admissions, teaching, and learning activities** related to the following programmes:

- Bachelor of Science in Disease Control
- Bachelor of Science in Health Promotion
- Bachelor of Science in Health Information

This suspension shall remain in force until the Council concludes a comprehensive investigation into the allegations to determine their veracity.

You are hereby instructed to comply strictly with this directive. Failure to do so will compel the Council to take further regulatory action, including the possible withdrawal of institutional accreditation and closure of the affected programmes.
